BUSINESS COMMUNICATION PROGRAM SPECIAL PROJECTS

SCH-MGMT 192T, Transitions (October 2020 to May 2021). Developed syllabus, content, assignments, and website for Isenberg's only on-ground course in spring 2021. Hired and trained 25 teaching assistants.

Business Communication Center Student Tutors (December 2019 to May 2020). Recruited, interviewed, and trained team of six student tutors as part of new BCC service offering. Researched and vetted third-party training software. Worked with vendor (TutorLingo) to set up custom site to augment in-house training program.

191T Curriculum Development (April 2019 to May 2020). Worked with Holly Lawrence to develop new content for Career and Professional Development course, including the introduction of *Designing Your Life* concepts and SOCIAL STYLE & Versatility® interpersonal behavior model, and developing curriculum trajectory for BCP three-course series.

Oral Communication Lab Proposal (November 2019). Spearheaded efforts to research oral communication lab technology and pricing, and developed proposal for Anne Massey re same.

Professional Development Workshop, Visual Design (September to November 2019). Oversaw RFP and proposal review process, and managed scheduling/administration for faculty professional development workshop on 11/1/2019.

Business Communication Program Marketing Collateral (2013-2018). Designed and produced a seven-minute slidecast for use at ISOM open houses that educates potential students about Program mission vision, courses, topics, etc. Developed content and managed design process for multiple one-page flyers for Isenberg senior administration.

SCH-MGMT 392A, Corporate Communication (June 2012). Developed Program's first content-based course for online delivery. Selected text, developed syllabus, schedule, assignments and rubrics, and built course site on Blackboard.

Report on Class Size, Course Load and Best Practice Pedagogies (March 2011). Researched and produced a 3,000-word report and reading list on best practice pedagogies regarding post-secondary intensive-writing courses. Report was presented to colleagues during internal meeting and has informed key decisions on Program strategies; select content was used in subsequent meetings and conferences by Program Director in and outside Isenberg.
