

Transfer Course Tips

As a general guide, courses may transfer if:

- Offered at a school that has regional academic accreditation at the post-secondary level (consult the other school's catalog)
- comparable in nature, content, and level to courses offered at UMass Amherst (compare course descriptions see <https://spire.umass.edu> for UMA course descriptions)
- passed with a minimum grade of C-
- up to 9CR EMS/EMT may transfer

Courses will generally not transfer if:

- taught by a school which does not have regional academic accreditation at the post secondary level
- failed, or passed with a grade of lower than C-
- remedial or development (pre-100 level, ESL, basic math, pre-composition, etc.)
- skills oriented (Lotus 1-2-3, study skills, career development, word processing, business communication, sales, etc.)
- vocational (secretarial, lab technology, real estate, electronics, paralegal, medical assistant, radiology, etc.)
- internships, co-ops, field experiences or practica sponsored by another school
- non-credit or offered through certificate programs, professional or community service seminars, etc.
- credited with Continuing Education Units, CEUs
- first year/college prep courses
