

MSA Transitions Track Course Sequence

- Students must complete 4 Accounting Foundations courses, unless exempted from the requirement based on previous academic work. Contact [Priscilla Mahar](#) if you believe you qualify for a course exemption.
- In your first semester = Enroll in SCH-MGMT 604. This is the first course of the program and is required to build substantial knowledge of financial accounting before advancing to other courses.
- If you have completed 604 & plan to take 6 credits per semester = Enroll in SCH-MGMT 607 and 608. If you plan to take 3 credits per semester, enroll in SCH-MGMT 608.
- If you have completed 604 & plan to increase your course-load to 9+ credits = Contact [Priscilla Mahar](#) for assistance.
- If you only have one remaining foundation course = Contact [Priscilla Mahar](#) for assistance in selecting a core or elective MSA course that pairs well with your final foundation course.
- If you have completed your Accounting Foundation courses, you may begin enrolling in core and elective MSA courses.
