NOTE for students pursuing CPA licensure:

The MS Accounting program at the Isenberg School of Management meets the education requirements for CPA licensure in the state of Massachusetts. Our program does not assert that it meets licensure/certification requirements of any state other than Massachusetts, and individuals who are seeking CPA licensure in another state should review the requirements by visiting <https://www.thiswaytocpa.com/licensure/state-requirements/> and checking with the specific State Board of Accountancy.

Note:

- Applicants that did not have Business Law in their undergraduate studies are strongly encouraged to take Business Law as an elective.
- You are not required to select a focus. If you are interested in a focus area, you should discuss it with your advisor.
- An overall 3.0 GPA (B) must be maintained and required to graduate.
- Degree eligibility form must be signed and submitted to Graduate School in order to graduate.
