**The maximum number of transfer credits applied toward a UMass Amherst Bachelor's degree is 75.**

**At least 45 credits must be completed through** the University of Massachusetts Amherst (30 credits minimum starting with your semester of acceptance), for 120 total minimum. Completing a BBA may require more than 120 credits if transferred credits do not apply directly to the BBA degree requirements.

A minimum GPA of 2.0 in your major and overall is required to graduate. A letter grade is required for all required courses. On average, students find that attending spring, summer, and fall, part-time/2 classes/6-8 credits with 24+ hours of coursework per week is manageable. As a part-time program designed for full-time working and family-oriented students, not all majors can be completed on a full-time schedule. Courses are offered often but not all courses are offered every semester. For important semester and financial dates, **bookmark the [academic calendar](#)**.

**Summer and Winter 6-week sessions:** expect a 24+ hour per week coursework time commitment per 3 credits.

**Spring, Fall, and 13-week Summer semesters** expect a 12+ hour per week coursework time commitment per 3 credits.

**Requirements and courses are subject to change and based on the semester of acceptance.**
