**The maximum number of transfer credits applied toward a UMass Amherst Bachelor's degree is 75.**

**At least 45 credits must be completed through** the University of Massachusetts Amherst (30 credits minimum starting with your semester of acceptance), for 120 total minimum, maybe over 120 if transferred credits do not apply directly to the BBA degree.

A minimum GPA of 2.0 in your major and overall is required to graduate. A letter grade is required for all required courses. On average, students find that attending spring, summer, and fall, part-time/2 classes/6-8 credits with 24+ hours of coursework per week is manageable. As a part-time program designed for full-time working and family-oriented students, not all majors can be completed on a full-time schedule. Courses are offered often but not all courses are offered every semester. Most upper-level Finance classes are offered ONCE a YEAR. For important semester and financial dates, **bookmark the [academic calendar](#).**

**Summer and Winter 6-week** sessions: expect a 24+ hour per week coursework time commitment per 3 credits.

**Spring, Fall, and 13-week Summer** semesters expect a 12+ hour per week coursework time commitment per 3 credits.

**Requirements and courses are subject to change and based on the semester of acceptance.**
