MSBA Total =				31
Total Credits to Graduate =				61

Note:

- An overall 3.0 GPA (B) must be maintained.
- Focus areas are only listed on your transcript, not on the diploma.

*Focus areas include Finance, Marketing, Organizational Management, Sport Management, Healthcare Administration, and Supply Chain Management. Students may also choose a Specialized Business focus, allowing them to select electives to create a customized focus area. Due to overlap with Business Analytics Core courses, students cannot pursue a Business Analytics focus area.
