

Master of Science in Accounting Program

Isenberg School of Management - UMass Amherst

PREREQUISITES for those **without** an undergraduate business degree

Students may be enrolled in any of the prerequisites at the time of application but, all prerequisites must be completed prior to matriculating into the program.

MSA Accounting Prerequisites:

- ❖ Intermediate Financial Accounting I
- ❖ Intermediate Financial Accounting II
- ❖ Cost Accounting
- ❖ Individual Taxation
- ❖ Auditing
- ❖ Advanced Financial Accounting (recommended, not required)

MSA Business Prerequisites - Recommended*:

- ❖ Corporate Finance
- ❖ Contract or Business Law
- ❖ Statistics

Prerequisites must be taken at an accredited institution and completed with a grade of B or higher. Audit and pass/fail courses are not acceptable. Classes must be taken at the 300 level or above. *To confirm the business requirements for the state in which you wish to get licensed, please check with the state board of accountancy. Information can be found at www.nasba.org.
